2019 Bulgana Green Power Hub Community Grants

Seventeen community groups, sporting clubs, and schools have undertaken local projects from the 2019 Bulgana Green Power Hub Community Fund grants.

Neoen Australia, owner of Bulgana Green Power Hub, is committed to contributing to the Northern Grampians Shire community by providing financial support to community groups to build capacity and grow the region.

Each year, through the Bulgana Green Power Hub Community Fund, Neoen Australia invests funds in organisations through an open and competitive process with the grant administered by Northern Grampians Shire Council.

Each year, groups share in a total of \$120,000 in grant funding from the community fund with grants broken up into large (\$20,000) and small (\$5,000) categories.

Northern Grampians Shire Council Mayor, Murray Emerson, said the funding has seen wonderful improvements made to our community.

"The Bulgana Green Power Hub Community Fund grant recipients have provided excellent programs, enhancements, and projects for the Northern Grampians," he said.

"I congratulate all the recipients and thank the Bulgana Green Power Hub team for their support of our community groups and organisations."

Application for the 2020 Bulgana Green Power Hub Community Fund grants will open later in the year, visit www.ngshire.vic.gov.au/BGPH-grants or www.bulganagreenpowerhub.com.au for more information.
